

NEEDHAM PARK AND RECREATION

JANUARY 2018

NEW BEGINNINGS IN 2018

After years of dreams, studies, meetings, community input, design, and funding requests – we are now in the construction phase and just a few months away from the opening of Rosemary Recreation Complex! The goal is to be ready mid-to-late June 2018...the winter weather has been a challenge to the schedule. Thank you for your patience – we won't have all the answers you need right now, but will keep sending out updates, as we know more.

THE POOLS AT ROSEMARY RECREATION COMPLEX

The one big pool – it is now two pools, with a recreation/family pool on the left and a lap lane/competitive pool on the right.

In the family pool, there is zero-depth entry and spray features for the non-swimmers. Two long lap lanes can be used for water walking or swimming. Two new slides will be a fun addition.

In the competitive pool, there will be 3-4 regulation length lanes open for lap swimmers on the lake side. The other lanes are home to the new diving board and will also feature deep water play for older youth. The Needham Sharks Swim Team will practice and hold meets in the pool.

Just outside the pool area will be the brand new Spray Deck, for fun during the summer, but also open in the warm months when the pools are closed.

FAMILY POOL

- Weekday morning and early evening Swim Lessons
- Spray Deck open during swim lessons for siblings
- 1 – 2 slides open in afternoon/early evening hours
- Weekday morning tot swim time
- Rest periods at quarter to each hour
- Water Test required to use slides

COMPETITIVE POOL

- 3 – 4 lanes open on lake side
- Diving board available during open hours; sometimes will be used for swim team practice or water games
- Closed on Tuesday and/or Thursday evenings for swim meets
- Deep Water Test for youth

THE NEW BATH HOUSE

The bathhouse will be located on the lower level of the building. As you enter from the parking lot through the archway, the check-in area will be on your left. Each season passholder will have his/her own key card to scan in for quick entry. The restrooms/showers will be on your right (yes, those cleansing showers are still required before going in the pools!) There will be spray stations (outdoor showers) near the pools.

THE PARKING LOTS

There will now be two paved parking lots with lines, increasing parking from about 50+ vehicles to almost 100. The steepness of the driveway has been reduced, with a walkway from the upper parking lot. Overflow parking will be at Memorial Park.

PROGRAMS AT THE POOLS

The Pools at RRC will be a great place to learn to swim, exercise, and play! We are excited that we will be offering swim lessons/instruction in the mornings and early evenings. Classes will be Tot and Me Water Play, Learn-to-Swim, Stroke Clinics for tweens, teens, and adults, and High School Conditioning. A few mornings during the week, Tot Time will be offered for our littlest Needhamites to come and enjoy the family pool and spray deck. The Needham Sharks Swim Team is a fun recreational summer league that calls The Pools at RRC home for practices and meets. For those that aren't into swimming laps but still enjoy using the pool to stay fit, we hope to offer Water Exercise classes, too, a few days a week. A highlight of every week will be our Family Fun Night full of games, activities, and fun for the whole family! Whether it's to learn to swim, exercise or just play, we can't wait to see you at The Pools at RRC this summer!

THE UPPER LEVEL

Going up the small ramp from the parking lot will bring you to the entrance of the upper level. The Park and Recreation Office will be located just off the lobby. The Needham Health Department will be joining us, moving their offices from multiple Town buildings. There isn't an official move-in date yet, but as we know more, we'll let people know – including our new phone number. June is a busy time of year for Park and Recreation, so we'll do our best to be least disruptive to all the residents.

THE MULTI-PURPOSE ROOM

Park and Recreation is very excited to have a location to offer programs throughout the year. The Outdoor Living Program will move to the Rosemary Recreation Complex, using this room for inclement weather site and lunches. In fall, winter, spring, there will be a full line-up of programs for all ages.
